A donation bin will be available at each location on the designated dates. Donations of up to 20 items are accepted. Remove donations from bags and boxes before placing in the bin.

You may request a receipt for your tax-deductible donation. Please estimate the quantity and value of your donations before bringing them to the library.

Friends of Chesterfield County Public Library

Once items are donated, they become the property of CCPL and are used at the discretion of CCPL. While some items are selected for addition to the collection, most donations are given to our Friends of Chesterfield County Public Library. The Friends offer donated items for sale to customers through book sales located within most locations (except Enon Library).

Proceeds

Proceeds from book sales are used to support library collections and services.
