# We're for Chesterfield County Public Library!

For more than 50 years, the Friends of Chesterfield County Public Library have worked to support the Chesterfield County Public Library and all its branches.

We're a diverse, energetic group of library fans who want libraries to remain at the forefront of the community. Our mission focuses on promoting our public libraries as vibrant centers for enrichment.

We encourage our neighbors to enjoy the library's resources, to volunteer their time and talent to the library, and to stay informed about issues that affect the library. We are a 501(c)(3) nonprofit organization so your support is tax deductible as allowed by law.
